SPEAKERS

Rokelle Lerner, CDDP is nationally known for her work on relationships, women's issues and addicted family systems. She has received numerous awards for her work with children and families including Esquire magazine's "Top 100 Women in the United States who are Changing the Nation." She has consulted with foreign governments, United States agencies, corporations, schools and hundreds of individuals on boundaries, addiction and relationship problems. Rokelle authored Affirmations for Adult Children of Alcoholics, Affirmations for the Inner Child and, most recently, Living in the Comfort Zone: The Gift of Boundaries in Relationships, also a new workbook, Men are from Mars, Women are from Venus: Keys to Restoring Relationships on Earth.

Alan I. Green, M.D., Raymond Sobel Professor of Psychiatry, Professor of Pharmacology and Toxicology, and Chairman of the Department of Psychiatry at Dartmouth Medical School, is a clinical and research expert in the psychopharmacological treatment of patients with psychotic disorders, particularly those with co-occurring alcohol or substance use disorders. He was a member of the Harvard Medical School faculty and Director of the Commonwealth Research Center of the Harvard Medical School's Department of Psychiatry until he moved to Dartmouth in 2002 to become Chairman of Psychiatry. He has been the principal investigator of 6 NIH research grants, 4 of which (all on-going) are devoted to understanding the basis of alcohol/substance use disorders in patients with schizophrenia and the optimal pharmacologic treatment of these co-occurring disorders. He has published over 100 scientific articles and has received numerous awards, including the Outstanding Psychiatrist Award for Research from the Massachusetts Psychiatric Society.

Jeffrey L. Derevensky , Ph. D. is a child psychologist, and a Professor of School/Applied Child Psychology and a Professor of the Department of Psychology at McGill University. He is a clinical consultant to numerous hospitals, school boards, government agencies and corporations. Dr. Derevensky has published widely in the field of youth gambling and is on the editorial board of several journals. Dr. Derevensky is co-director of the McGill University's Youth Gambling Research & Treatment Clinic and the International Centre for Youth Gambling Problems and High-Risk Behaviors.

Carlton Erickson, Ph. D. is a distinguished Professor of Pharmacology and Director of the Addiction Science Research and Education Center in the College of Pharmacy at the university of Texas at Austin. In addition to his university teaching and research, he is a frequent speaker nationally. He is an Associate Editor for the journal Alcoholism: Clinical and Experimental Research, and is co-author of the book, Drugs, The Brain & Behavior. He is the author of over 260 scientific and professional publications, and is generally considered to be an expert on the relationship between the neurobiology of addiction and the recovering community.

Dr. Terry Tafoya , Ph. D. is a Native American of the Laos Pueblo and Warm Springs Nations a clinical psychologist, and a traditional storyteller. He is the executive director of Tamanawit Unlimited, an international, multi-cultural consulting company that specializes in bilingual education, cross-cultural competence and communication, gender and sexuality, grief and loss, Native American heritage, and spiritual healing. Dr. Tafoya is well versed in the arts of Native American and other indigenous healing rituals. Trained as a traditional Native American Storyteller, Dr. Tafoya has used American Indian ritual and ceremony in over one thousand lectures, workshops, and keynote address around the world. With over 20 years of University level teaching experience, including his work with the National Bilingual Training and Resource Center, Dr. Tafoya has worked with Mental Health, Human Sexuality, AIDS/HIV, Substance Abuse Prevention, and Bilingual Education in his work as a trainer and educator. He has also directed the training efforts of a national program for AIDS awareness and prevention, and serves as a national consultant for the U.S. Center for Substance Abuse Prevention Project. He is also the Chief Curriculum Writer for the Gathering of Native Americans, a national project for Native American Substance Abuse Prevention. He has taught with the Kinsey Institute for the Study of Human Sexuality Gender and Reproduction, as faculty, and as an expert on Cross-Cultural Sexuality. He is also on the National Teaching Faculty for the American Psychology Association, and on the International Faculty of the Milton H. Reickson Foundation for the Clinical Hypnosis and Psychotherapy. His work in the areas of cultural diversity, educational methodology and philosophy, community healing and cross-cultural communication is professionally recognized worldwide. To learn more about Dr. Terry Tafoya, and available resources, please visit his website at: <http://www.tamanawit.com>

LAKE MOREY RESORT

We're Easy to Reach!
The Lake Morey Resort is located in the heart of Vermont. We are an easy 2.5 hour drive from Boston, Hartford, and Montreal and a 5 hour drive from New York via major inter-states. We are just off I-91, exit 15, on the Vermont/New Hampshire border.

Driving Directions:

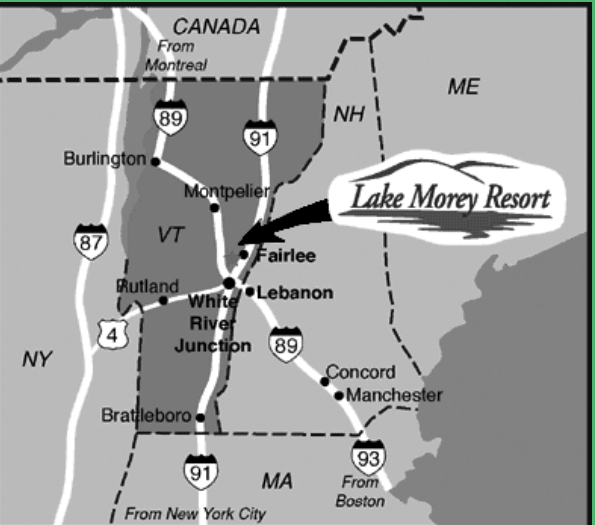

From White River Junction and points South: Take I-91 North to Exit 15 in Vermont. Turn left off exit ramp. Take first right (granite Lake Morey Resort sign on corner). Follow the golf course (on left) and take your first left onto Clubhouse Rd. Resort is on the right.

From Burlington: Take I-89 South to Exit 7 (Berlin/Barre). Take Route 302 East through Barre to Orange. Take Route 25 South to Bradford. Take I-91 South to Exit 15 - Turn right off exit ramp. Take next right (granite Lake Morey Resort sign on corner). Follow the golf course (on left) and take your first left onto Clubhouse Rd. Resort is on the right.
